Written permission and a fee are required to conduct a photo session wherein any professional photographer is profiting from the photos taken on the premises. *Any and all vehicles must stay on the paved main road at all times – no exceptions.*

Application and fee must be received at least two weeks prior to the requested date. Please make check payable to Bergen County Parks Department. This permit is for outdoor use of the facility only. Please call the Center in case of inclement weather.

Park grounds are available on a "first come, first served" basis; however, every reasonable effort will be made to reserve an area for you. Cars must park in designated areas and not on park drive or grass. Parties with more than four vehicles should park in the overflow parking area on Crescent Ave.
