BERGEN COUNTY HEALTH CARE CENTER

Situated in a 52-acre wooded area of northeast Bergen County, the Bergen County Health Care Center is a 110-bed skilled nursing care center that enjoys a distinguished reputation for providing the highest quality care in a warm, homelike setting. The Center provides 24-hour personalized professional care to residents including hospice, long-term, rehabilitation and respite care with a team of

Registered Nurses, Licensed Practical Nurses, Certified Nurses' Aides, physicians, dietitians, activity specialists, and social workers. All beds are certified for Medicare/Medicaid.

Residents' needs are met in a loving and supportive atmosphere. A resident can reside in one of four distinct living areas called "cottages." Each cottage provides intimate living areas for no more than 30 residents and is staffed with Registered Nurses and Certified Nursing Aides on a 24-hour basis with a high staff to resident ratio.

Each cottage has a full calendar of activities provided by a cheerful recreational staff. Residents can also participate in programs in the Activity Center, a large former chapel with beautiful stained glass windows.

For more information or to schedule a tour at your convenience, please call us at 201-750-8310.

DIETARY

Our Dietary Department ensures a pleasant dining experience by offering a wide variety of meal choices featuring seasonal fruits and vegetables within a selective menu. Individualized meal plans reviewed by our Registered Dietitian help to maintain the quality of life for residents.

Residents also enjoy celebrations with favorite foods prepared to create a home-like feeling. Families and friends are always welcome to join the residents for these special events.

REHABILITATION

Our rehabilitation professionals are dedicated to providing the highest quality therapy. We specialize in the evaluation and treatment of both short-term and long-term residents and are committed to assisting individuals achieve the highest possible level of functioning to maximize their quality of life. We offer intensive individualized physical, occupational and speech therapy programs using physician directed care plans in our on-site fully equipped rehabilitation area.

SOCIAL SERVICES

Our Social Services' staff provides a variety of services to our residents and their families. Services include assistance with the admission process, supportive counseling, crisis intervention, referrals to community resources, and many more that add to the quality of care for your loved one.

NURSING

Our team of supportive, highly skilled licensed Registered Nurses, Licensed Practical Nurses, and Certified Nursing Assistants encourages each resident to participate in their care while maintaining their dignity, self-worth, and freedom from pain.

Registered Nurses and the entire interdisciplinary team develop, assess and monitor the plan of care. Our primary consideration is always to optimize the functional, psychological and intellectual abilities of our residents.

RECREATION

Our recreational staff provides daily programs of exercise, fun and interactive games, and opportunities to enjoy independent leisure activities. We offer van trips to favorite dining spots, retail stores, the local library, and evening concerts in nearby towns to maintain our residents' connections in the community.

The secure outdoor courtyards are easily accessible and provide a great location for family visits, picnics, barbecues and concerts. Residents are also encouraged to participate in creating raised flower beds and vegetable gardens.
