

BERGEN NEW JERSEY *County*

Bergen County Executive
James J. Tedesco III
and the
Board of Chosen Freeholders

invite you to the

Light the Night for Recovery

This evening is held to celebrate the gains made by those in recovery. The observance reinforces the positive message that behavioral health is essential to overall health, prevention works, treatment is effective, and people can and do **RECOVER!**

We hope that by coming together for this event, awareness will be raised about the disease of addiction and about mental illness. Through shared stories of recovery and hope others will be encouraged to seek services and support. Please join us in continuing these efforts by attending this event and by wearing **PURPLE**, the color for recovery.

We have created a Memorial Quilt which will be displayed and to which we will add annually with photos and memories shared.

Thursday, September 27, 2018 at 6:30 pm
One Bergen County Plaza
Hackensack, New Jersey
