

### Recipes

#### Basic Gingerbread

10 cups flour  
 3 cups sugar  
 1 1/2 cups water  
 2 tbl. each ground ginger, cinnamon, cloves, and cardamom

1 lb. butter

1 tbl. Baking Soda

2 tbl. Dark corn syrup

**Note:** if you do not plan to eat the house substitute cinnamon and ginger for cloves and cardamom

Measure flour into a mixing bowl and set aside. Combine butter and sugar in another bowl and set aside. In a saucepan combine water with the remaining ingredients, bring to a boil and pour over the butter and sugar. Stir until the sugar dissolves. Add flour one cup at a time blending well. Cover and refrigerate for several hours. Let dough come to room temperature and then roll onto lightly floured surface. Bake cut outs at 350 for 10 to 12 minutes or until lightly browned.

#### Royal Icing

Royal icing can be used like "glue to hold your house together." Since it does not contain butter or oil it dries to a hard candy like consistency.

3 Large egg whites at room temperature,

3/4 teaspoon cream of tartar

1 lb. 10X confectioners sugar.

Combine all ingredients in mixing bowl, mix on high for 7 to 10 minutes until stiff peaks form.

You cannot overbeat. Store at room temperature, tightly covered and use as soon as possible.

Make a model of your home from cardboard first.
