INTER-AGENCY AGREEMENT

This is an inter-agency agreement between the _____ and the Bergen County Law & Public Safety Institute. This agreement pertains only to recruits attending the Basic Course for Police Officer at the Institute, and is a requirement for the Institute to accept recruits from the agency named above. The sending agency agrees to withdraw recruit(s) who would otherwise be dismissed from the Bergen County Law & Public Safety Institute, when the sending agency recruit; fails a functional area, commits an honor code violation, or Institute policy violation which would be an offense requiring dismissal, fails to fully and safely participate in physical training, fails firearms training or qualification, or has an injury which will not allow the recruit to properly participate in physical or defensive tactics training.

Recruits will be required to be withdrawn, by the sending agency, after the remedial testing process is completed and the recruit fails the remedial test for academic or firearms related Functional Areas. Recruits who commit honor code violations, which would be offenses requiring dismissal, shall be withdrawn only after the incidents are thoroughly investigated and if found to be true. Recruits who fail to fully and safely participate in Functional Area 13, Physical Training, due to lack of fitness, shall be withdrawn by the sending agency after the recruit is reevaluated by the Physical Fitness training staff after the first physical fitness test battery. The sending agency shall withdraw recruits who sustain injuries or illness, which prevent them from fully and safely participating in physical training, defensive tactics training and firearms training.

Recruits who are withdrawn, due to the clauses of this agreement, will be accepted back in future Academy Basic Course for Police Officers courses except that any recruit withdrawn for disciplinary reasons WILL NOT be re-admitted to this Academy.

Note: Acceptance of this agreement is required by agencies that register recruits in the Bergen County Law & Public Safety Institute, Basic Course for Police Officer.
